

# Navigating Brussels with ELLS 2023

How can the EU help you  
to develop your scientific career?

**3 days intensive course organized by ELLS ST Research Support Offices  
23 – 25 May 2023, Brussels, Belgium**

---

*Get to know the European research programmes for young scientists  
Experience project development in an intercultural interdisciplinary international team  
Network with colleagues and friends from around Europe  
Get to know the secrets of Brussels institutions and European policies*

---

**Deadline for application: 10 March 2023** (or until places filled) – limited for 20 applicants

## What does this course include?

The course consists of a mix of presentations, site visits, workshop and networking opportunities that will provide participants with

- an introduction to European research programmes for young scientists and to key elements of grant writing
- tools to assess the current status of their career, to identify strengths and fields for development
- a better understanding of the workings of European research policy and funding and incorporate this knowledge in future project applications
- knowledge about research related job opportunities outside of academia and industry

## Who can apply?

This course is designed for junior post docs (1 yr < PhD < 4 yrs). To make the course interactive the number of participants is limited to a maximum of 20 persons. Three slots / university are pre-allocated, unused slots will be passed on based on a waiting list. The registration is binding. Repeat participation is not possible

## How much will it cost?

There is no tuition fee. Enrolled participants will receive a travel subsidy of EUR 250,- to support the covering of transport & accommodation costs. Lunches & coffee breaks, and a joint dinner on May 23 are included.

Participants pay for the other meals, travel, accommodation, travel insurance and personal needs (from their own, or university allocated resources).

## How to register?

Registration opens on February 6, 2023. Please use the [online application form](#). The applicants will be informed by e-mail about next steps in Mid-March, accepted applicants will be asked to confirm their participation by contacting a [local coordinator](#) till April 10 2023.

**Time Frame & Locations:** of the course runs from May 23, 09:00 to May 25, 15:00 and will take place at several locations in the vicinity of the European Parliament. A detailed program will be provided in time to the selected participants
